A key factor driving this growth is the increasing prevalence of sports and recreational activities, encompassing a wide range of outdoor pursuits conducted for exercise, relaxation, or pleasure. These activities comprise activities like walking, swimming, meditation, reading, playing games, and dancing. In this context, the importance of having the right running shoes for various activity styles

cannot be overstated, as they play a critical role in preventing frequent injuries.

Prominent players at the forefront of the running shoes market include Salomon, Nike Inc., Adidas AG, VF Corporation, Puma SE, Skechers USA Inc., Under Armour Inc., New Balance Athletics Inc., ASICS Corporation, and Deckers Brands.
