“

"We have plans to deepen our engagement, introducing more products that align with European culture. Our mission is, and always will be, serving all wine enthusiasts with unmatched dedication."

Jakob Dau

Guided by Jakob's vision, the company has curated products that resonate with all wine lovers across Europe:

- Wine coolers: Crafted for the meticulous conditions, wines demand.
- Wine racks: Designed to elegantly display and store your wine collection.
- Wine accessories: Chosen to elevate the European wine ritual.

Crucave – a new branch

Jakob dreamed of creating a new branch for

Wineandbarrels that could combine his love of wine and quality with his deep knowledge of [wine storage](#) and bring it to a whole new level. Crucave was launched as a tribute to Jakob's own love for wine and as a gift to wine enthusiasts across Europe. His mission was clear - to deliver top shelf bespoke wine cellar solutions that not only met, but exceeded expectations, and would

become the epitome of exceptional wine cellars everywhere.

A Glimpse into the future reflecting on the journey ahead, Dau remarked, "We have plans to deepen our engagement, introducing more products that align with European culture. Our mission is, and always will be, serving all wine enthusiasts with unmatched dedication."
