

# Real Encounters Experience focuses on identity through on-location teaching in Israel

*The latest addition to the series at Crossroads Church will provide a glimpse into the identity God has given to us through on-location exploration in Israel.*

CINCINNATI, OHIO, UNITED STATES, October 20, 2023 /EINPresswire.com/ -- The latest addition to an ongoing series at Crossroads Church will provide a glimpse into the identity that God has given to us through on-location exploration in Israel.

Real Encounters with God: Downline was planned nearly a year ago and filmed in Israel in spring 2023. It follows Crossroads Senior Pastor Brian

Tome and others as they uncover the six God-given essential identities that everyone possesses and learn about them through the lives of King David and Jesus Christ. The latest episodes as well as past seasons of Real Encounters can be found at [crossroads.net/realencounters](https://crossroads.net/realencounters).

In addition to the weekly teachings, Real Encounters will also include an in-person prayer experience at Crossroads' Oakley location in Cincinnati. The fully immersive experience, which takes about 30-45 minutes to explore, is designed for participants to have an encounter with God and discover what he says about who they are. It will be open Monday-Saturday Oct. 27-Nov. 9. [Check out available dates and times here.](#)

A prayer experience guide in the [Crossroads Anywhere app](#) will be used to direct the experience, so participants are encouraged to download it ahead of arrival and then check out other ways to grow on the app including daily scripture, prayer, group guides, and more.

Amidst this series the Crossroads community will continue to pray for people in Israel, Gaza, and the surrounding area who are being impacted by the current conflict. Crossroads is also finding ways to provide humanitarian relief including a contribution of \$100,000 to Convoy of Hope's
