*Hollywood's Newest Pop Star, Joe Sparrow, Takes Flight at Hotel Café with New Song 'Little Cleopatra'*

HOLLYWOOD , CA, UNITED STATES, October 20, 2023 /EINPresswire.com/ -- Hollywood's newest pop sensation, [Joe Sparrow](#), cast a spell on a packed audience during his unforgettable performance at the iconic Hotel Café. The evening's highlight was the premiere of Joe's enchanting new song, "Little Cleopatra," accompanied by Ric McCoy on guitar from the L.A. band "Them Fantasies".

In a realm dominated by pop music, Joe Sparrow emerges as a singular and captivating artist. His voice possesses the power to both excite and hypnotize, effortlessly drawing listeners into his musical realm. "Little Cleopatra" is the crown jewel in his musical repertoire, a testament to his unmatched ability to seamlessly blend potent vocals with original production, creating an immersive experience that transports audiences into a world of intrigue and enigma.

Joe Sparrow's journey in the music industry has been nothing short of extraordinary. Previously the lead singer, front man, and primary songwriter for the alt-pop sensation Solwave, he achieved significant milestones, including sold-out shows at prestigious venues in major cities like San Francisco, Los Angeles, and Denver. His talent captured the attention of music industry elites, earning him coveted opening slots for renowned bands such as The Revivalists, Spin Doctors, and Radical Something.

During his tenure with Solwave, Joe Sparrow collaborated with acclaimed producers Gordon Raphael (known for his work with The Strokes and Regina Spektor) and Tim Palmer (noted for his collaborations with U2 and Pearl Jam). Following the band's amicable separation, Joe redirected his focus toward songwriting, collaborating with established artists and producers, including ZHU
