

CloudDefense.AI is going to attend OWASP 2023 Global AppSec in Washington, DC

CloudDefense.AI is thrilled to announce its participation in the OWASP 2023 Global AppSec event, set to take place from Oct 30-31, 2023 at Washington, DC.

PALO ALTO, CALIFORNIA, UNITED STATES, October 20, 2023

/EINPresswire.com/ -- Global AppSec DC, a renowned conference for private and public sector information security professionals, promises to equip developers, defenders, and advocates with the knowledge and tools to fortify

the digital landscape and create a more secure web. The event spans two days, from October 30th to October 31st, and [CloudDefense.AI](#) is proud to be part of this exciting initiative.

Event Details:

CloudDefense.AI is excited to participate in this event & it reflects our dedication to helping build a more secure web and providing cutting-edge security solutions for businesses and developers"

*Anshu Bansal, CEO of
CloudDefense.AI*

Date: October 30 - 31, 2023

Location: Marriott Marquis Washington DC

Address: 901 Massachusetts Avenue NW, Washington, District of Columbia, USA, 20001

Booth Number: #SU-09

CloudDefense.AI will be a prominent exhibitor at the conference, with an easily locatable booth at #SU-09. Attendees are invited to visit our booth to explore the latest advancements in application security technologies and engage with our expert team to gain invaluable insights into safeguarding web applications.

A promotional banner for the OWASP Global AppSec Conference 2023. The banner has a dark blue background with a circular inset on the right showing the US Capitol building. Logos for CloudDefense.AI, OWASP 2023 Global AppSec, and Washington DC are at the top. Text includes "JOIN US AT OWASP Global AppSec Conference 2023.", "BOOTH # SU-09", and "OCT 30 - NOV 03, 2023".
