

ETB LLC Announces the Launch of The Car Pool 2.0 on Kickstarter: A Game-Changing Portable Peeing Device for Men

The product is specifically designed to revolutionize how drivers and passengers handle the call of nature while on the go.

BROOKLYN, NEW YORK, UNITED STATES, October 20, 2023 /EINPresswire.com/ -- Today, ETB LLC is excited to announce the launch of its Kickstarter project for [The Car Pool 2.0](#), an innovative product designed to address the age-old problem faced by many men during long drives: where to pee when stuck in traffic.

The Car Pool 2.0 is not just another [portable urinal](#); it's a carefully crafted device set to redefine road trip comfort. Whether one is on a cross-country road trip or merely stuck in traffic, The Car Pool 2.0 is poised to become an indispensable travel companion.

Designed for road warriors, everyday commuters, and anyone who's ever wished for a restroom alternative while traveling, The Car Pool 2.0 provides an efficient, reliable, and eco-friendly solution to liquid waste management on the go. The product boasts numerous features carefully selected to ensure effortless and fun use, such as:

- **Ergonomic Design:** Comfortably fits in a car's cup holder, making it intuitive for both drivers and passengers. It also bends to ergonomically fit the position the user is sitting in, allowing for remarkable ease of use.
- **Leak-Proof Technology:** Advanced technology prevents any spillage, directing urine to an empty beverage bottle for easy disposal. The product's universal threaded head screws onto any empty bottle, forming a watertight seal.
- **Eco-Friendly:** Designed to be reusable, The Car Pool 2.0 is a step towards sustainable travel solutions.

"The Car Pool 2.0 is the most advanced portable peeing device on the planet. It's the filet mignon of portable toilets," says Eric Bert, CEO of ETB LLC. "Now, you can easily forget the days of frantically searching for a rest stop; with The Car Pool 2.0, relief is always within arm's reach."

The Kickstarter campaign for The Car Pool 2.0 will go live on October 24th and investors can expect limited-time deals and bonuses to celebrate the launch.

Currently, details about the product, including all of its unique features and benefits, can be found on the official website at www.OriginalCarPool.com.

About ETB LLC

Founded by Licensed Structural Engineer and Entrepreneur, Eric Bert, in 2016, ETB LLC has been at the forefront of innovative product development.
