

Nevada Senate Candidate Lindemann Discusses Why the Statue of Liberty Doesn't Want Huddled Masses

The face of our Statue of Liberty is telling us the truth of her purpose.

LAS VEGAS, NEVADA, USA, October 23, 2023 /EINPresswire.com/ -- Nevada U.S. Senate candidate Barry Lindemann ventures the reason behind the austere face of the [Statue of Liberty](#). When speaking to The Nevada Patriot [Podcast](#), Barry points out the statue was not gifted to the United States to welcome anyone.

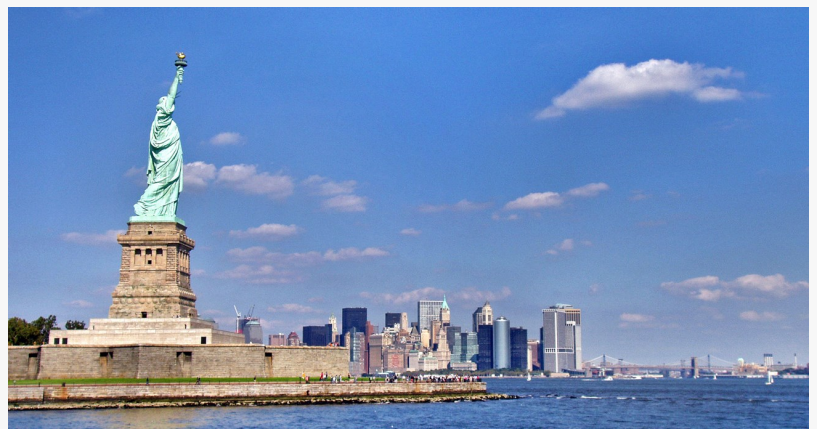

Instead, the great lady is a symbol to the rest of the world to break their chains of oppression and demand liberty. He notes that she is an example of self-determination and is guarding the portal to America for only those who will not waste the opportunity that freedom and liberty will create. Her expression is one of resolve, not one of sympathy and comradely.
