## Why You Can't Miss Staylist at OHCE

Staylist will be showcasing its all-in-one solution, featuring cutting-edge F&B POS capabilities, online ordering, and the newly introduced Call Tracking feature. The company will also be sponsoring the Spot2Night Basketball Exhibit, offering attendees a unique and interactive experience.

The company's latest offering includes a Point of Sale System that features customizable menus for different stores, a Kitchen Display System that shows queued items, and wireless credit card terminals.
