The upcoming Halloween gatherings at Perpetual Life are open to the public. Costumes are encouraged; not required.

RSVP is required to gain entrances. To register go to <https://Perpetual.life> or follow @LifePeperetual on social media for more details. This is a great opportunity to experience the fun educational environment and community of a transhumanist church.

###

“

We are excited to host the two days hybrid Halloween parties! It's a great way to celebrate the spirit of the season with uplifting music, informative talks, contests, food and "community."

Neal Vanderee, Officiator of Perpetual Life

About Perpetual Life:

The Church of Perpetual Life is a science-based church that is open to people of all faiths, non-denominational and non-judgmental. It's a central gathering place for humanists, atheists, agnostics, and Transhumanists as well as people who are Christian, Jewish, Buddhist, and any other faith. What brings them together is their common hope and belief in the option of healthy Radical Life Extension. For more info visit <https://churchofperpetuallife.org>

About Ray Kurzweil:

Ray Kurzweil is an acclaimed inventor, author, futurist, and visionary thinker. With a thirty-year track record of accurate predictions about the future, he is one of the world's leading voices on artificial intelligence and emerging technologies. Kurzweil invented the CCD flatbed scanner, omni-font optical character recognition, text-to-speech synthesizer, print-to-speech reading machine, and the first commercially marketed large-vocabulary speech recognition system. Among his honors are the National Medal of Technology and induction into the National
