Digital Media Technology Co., Ltd., a dynamic multimedia company, has been on a remarkable journey of transformation and growth since its inception. Originally incorporated as Forever Zen Ltd. in 2010, the company rebranded itself as NowNews Digital Media Technology Co., Ltd. in 2013, expanding its focus to include internet media and news content. Today, NowNews is not

NDMT NowNews

where small voices are heard

just another company; it's a one-stop shop for online services, connecting consumers and businesses to the vast opportunities of the internet.

Transformation from Shell Company

NowNews achieved a significant milestone with the Share Exchange Agreement executed in 2014, marking its transformation from a shell company into a prominent

player in the media industry. This agreement involved NowNews Digital Media Technology Co., Ltd., Worldwide Media Investments Corp., and NOWnews Network Co., Ltd., with NowNews successfully transitioning from its shell status and entering a new phase of growth and diversification.

Evolving Focus

The company's vision extends beyond business strategies to encompass a broader mission to redefine news in a rapidly evolving media landscape. NowNews actively promotes interactive discussions, open-source citations, and multiple perspectives through decentralized news content, creating a more credible, inclusive, and responsible news ecosystem.

Redefining News

Under new ownership and management, NowNews embarked on an exciting new path, allocating additional resources and intensifying its efforts to deliver high-quality news. The company actively pursues the diversification of its global reach, making significant strides in expanding its global presence and diversifying its audience base.

A New Direction

NowNews Digital Media Technology Co., Ltd. is committed to maximizing shareholder returns through Environmental, Social, and Governance (ESG) opportunities within the media industry, aligning its strategies with these core principles for long-term success and shareholder satisfaction.
