

Millennium Systems International and Tippy Expand Strategic Partnership with Revolutionary MeevoTips Integration

Meevo Spa & Salon Software joins forces with longtime partner, Tippy, to bring industry professionals a powerful new tipping solution.

PARSIPPANY, NJ, UNITED STATES, October 23, 2023 /EINPresswire.com/ -- Millennium Systems International (MSI), business management software provider for the beauty and wellness industry and the maker [Meevo](#), announced a new integration powered by Tippy to enhance the tipping and checkout process for guests and maximize employee tips.

Tippy is the state-of-the-art tipping solution for salons and spas that provides employees with free, real-time access to their tips, all while saving businesses the processing fees. With the new MeevoTips integration, users can effortlessly provide guests with a smooth and speedy digital tipping experience and single-swipe checkout.

"Our utmost goal at MSI is to continuously provide technology and tools that will help our customers more efficiently run and grow their business", says Terra Rosenberger, Director of Business Development and Partnerships at MSI. "It is truly exciting to offer the industry professionals we support such an incredible solution that will add tremendous value for both their employees and their guests. MeevoTips powered by Tippy will not only help service providers increase their tip income, it will make the checkout experience simple and seamless for their guests."

With the MeevoTips integration, service providers can benefit from real-time tip deposits, while owners and managers can gain quick and easy access to helpful reporting tools.

"We are excited for our integration with Meevo and the launch of MeevoTips! Our goal has always been to provide owners and service professionals with innovative tipping solutions", says Terry Mckim, Founder and CIO of Tippy. "This integration provides an elevated personalized tipping experience for customers and efficiency on the backend."
