*Welcome to KP's Kitchen, where friends and neighbors come together to unwind, celebrate, and create lasting memories.*

HOUSTON, TEXAS, USA, October 23, 2023 /EINPresswire.com/ -- Welcome to KP's Kitchen, where friends and neighbors come together to unwind, celebrate, and create lasting memories. Starting with a warm and inviting ambiance, you can savor mouthwatering, made-from-scratch dishes and enjoy a diverse selection of approachable wines, signature cocktails (we love the espresso martini), and your favorite beers. Celebrate with friends and family in an upscale party room or enjoy happy hour or cocktails in the cozy bar.

KP's Food

KP's Kitchen is the brainchild of Kerry Pauly, widely known to his friends and family as KP. KP's passion for the food and restaurant industry began before he had his adult teeth when his father, Fred Pauly, exposed him to the restaurant business from an early age. The elder Pauly had owned and operated several well-recognized concepts, such as Blue Ribbon Meat Packing Company and Club Metropol.

KP's experience in the hospitality industry expanded while working under Benjy Levit of Benjy's and Local Foods, developing the skill set required to successfully run multi-million-dollar restaurant concepts.

Recently nominated for best American restaurant, best brunch, and best burger in Memorial, KP's Kitchen has charmed the Memorial area since 2021.

Not to mention being recognized as Yelp's Top 100 Places to Eat in Texas 2023.

Nestled south of the Bellaire Triangle, KP's Kitchen's second location occupies 3,800 square feet. It features a spacious bar, party room, and front and side patios. The restaurant will offer the same welcoming ease and sophisticated modern eats that have made the bistro so popular for family dinners and romantic date nights. The bar and party room are an exciting addition to the restaurant.

Highlighted as a standout Memorial-area restaurant by Houston Eater, KP's Kitchen has garnered attention with its chef-driven cooking style. Dishes include 12-Hour Baby Back Ribs, Gulf Crab Cakes, and Sweet' n Sour Shrimp, as well as thoughtful bistro fare such as the Artisanal Cheese Plate featuring Houston Dairymaids cheeses, the Faro & Artichoke Salad, Blue Horizon Grilled Redfish, and Certified Angus Filet Mignon. The KP Burger has become a staple, along with other tasty sandwiches.

KP's Kitchen offers delicious daily specials! Every day of the week, there is something unique to tantalize your taste buds. On Tuesday, kids eat free. Wednesdays are about giving back; KP's Kitchen returns 10% of food sales to neighborhood charities and schools. Thursday is steak night, featuring the popular steak frites special with truffle fries and grilled asparagus.
