

# SPA Awarded the DARPA TASS IDIQ Contract

ALEXANDRIA, VA, UNITED STATES,  
October 23, 2023 /EINPresswire.com/ --  
Systems Planning & Analysis (SPA), a  
leading global provider of advisory  
services in support of critical national  
security objectives, has secured one of  
the awards on the Defense Advanced  
Research Projects Agency (DARPA)

Technical and Analytical Support Services (TASS) II multiple-award, indefinite-delivery/indefinite-quantity contract. TASS II has a duration of five years and an aggregate ceiling value of \$1.25 billion with the mission to provide a range of high-level advisory and assistance services to all of DARPA's technical and support offices. The contract will be used to procure advisory services in areas including engineering, science, technical, financial management, acquisition, public affairs, and military operational support.

“

Securing the TASS II contract will enable SPA to significantly expand our support of DARPA's critical missions.”

*SPA CEO Rich Sawchak*

SPA CEO Rich Sawchak commented, “Securing the TASS II contract will enable SPA to significantly expand our support of DARPA's critical missions to develop advanced capabilities that contribute to U.S. military superiority and national security. We are excited to assist DARPA with

leading-edge technical innovation leveraging our position as a trusted advisor committed to delivering the highest standards of quality.”
