GLOBAL, ORGANIZATION, October 24,
2023 /EINPresswire.com/ -- The DCRO

Institute, the world's leading source of risk governance training and credentials for board members and C-suite executives, announced today the award of the prestigious [Certificate in Cyber Risk Governance](#)SM to Lucie Claire Vincent Ortiz of Connecticut in the United States.

“

You don't need to spend long with Lucie Claire to become enthused about her leadership skills. It is our pleasure to continue our work with her as she expands her board influence.”

*David R. Koenig, President
and CEO of The DCRO
Institute*

Lucie Claire is a consumer products leader of P&Ls for Fortune 100 companies with extensive international experience in transformation, business strategy, general management, and global operations. She has spent over 30 years in senior executive positions with large multinational consumer product companies, as well as mentoring startups in retail technology, consumer goods and consumer healthtech, and nonprofit organizations. Most recently, she was the President/Managing Director for the Andean Region in Latin America at Philip Morris International. Previously, she was Corporate Vice President and General Manager of the Home Care category at Colgate-Palmolive headquarters in New York. Lucie Claire

spent seven years in Asia as Vice President and General Manager and earlier in Latin America as General Manager. At the board level, she has served as Chair and President of Philip Morris International Colombia, Co-President at International Women's Forum CT, Secretary and Finance Committee Member at GallopNYC, and a Board Member of Club 30% Ecuador. Lucie Claire is a member of WomenExecs on Boards (WEoB) and recently completed a Women on Boards Succeeding as Corporate Director Program at Harvard Business School.

"You don't need to spend long with Lucie Claire to become enthused about her leadership skills," said David R. Koenig, QRD®, President and Chief Executive Officer of the DCRO Institute. "It is our pleasure to welcome her to the alumni club of this program and, more importantly, to continue our work with her as she expands her board influence."

The Certificate in Cyber Risk GovernanceSM is awarded to those who have completed an [extensive education program](#) led by a global suite of board members, leading C-suite technology executives, law enforcement, and intelligence experts, all with deep knowledge of technology and cyber. Candidate knowledge is validated by evaluation across all subjects covered.

Lucie Claire Vincent Ortiz

"The Certificate in Cyber Risk GovernanceSM is an excellent program led by experts and luminaries in the different areas of risk and with extensive board experience," said Ms. Vincent Ortiz. "The program provides a holistic learning experience and the opportunity to participate in the cohort sessions with team members from WEoB, risk experts, and the President and CEO of the DCRO Institute, creating the space to have insightful discussions and has enriched my learning even further. I have enjoyed every minute of it," she continued.

The fundamental Duty of Care for directors around risk is to ensure that our organizations take risks well in pursuit of our goals and ambitions. This course furthers the fulfillment of that duty.
