

Benefit Advisors Network Partners with ProAct to Offer Pharmacy Benefit Management to Members

BAN announces it is partnering with PBM company, ProAct

CLEVELAND, OHIO, UNITED STATES, October 24, 2023 /EINPresswire.com/ -- Benefit Advisors Network (BAN), an international network of progressive and visionary employee benefit brokers and consulting firms from across the United States and Canada – announces it is partnering with [ProAct](#), a fully integrated, employee-owned Pharmacy Benefit Management (PBM) company.

Under the terms of the new partnership, ProAct will offer BAN member firms affordable and flexible prescription drug benefit solutions for self-funded clients. They combine industry leading client service with the latest in PBM technology.

“

With overall prescription drug spending rising nearly 10% in 2023, our members will benefit from ProAct's expertise and custom-built plans as well as solutions to manage high-cost medications.”

“The ProAct team is a great addition to our bank of reputable partners. With overall prescription drug spending rising nearly 10% in 2023, our members will benefit from their expertise and custom-built plans as well as solutions to manage high-cost medications,” says Perry Braun, President & CEO of the Benefit Advisors Network.

Braun continues, “In addition, ProAct focuses on the mid-market sized employer group, making them a much better

PBM partner for our members versus a mega-PBM vendor.”

“We recognize so many people can't afford prescription medication and at times are forced to choose between necessities,” says Mike Grinnell, Sales Director at ProAct. “This is why we are excited to partner with BAN to support their member firms as they seek to provide employer clients with the most cost-effective pharmacy benefit needs.”
