

AMBIR releases a new portable document scanner solution

AMBIR release a new portable scanning solution to keep business travelers organized and productive while away from the office!

AMBIR Digital Scanning Solutions

WOOD DALE, IL, UNITED STATES,
October 24, 2023 /EINPresswire.com/ --

[AMBIR](#), a leading provider of digital scanning solutions announces the release of its new TravelScan Pro Go Scanner and Case bundle (Model #). This new addition to the family of TravelScan was specifically designed to meet the needs of remote and mobile business professionals. The new portable [document scanner](#) bundle includes a Portable USB-powered

“

The new TravelScan Pro Go Bundle combines powerful scanning software with our leading portable scanner and now includes a case to ensure your equipment remains in top shape”

Michael O'Leary

document scanner, a protective case, AmbirScan software to digitize and share documents AMBIR's Business Card scanner to instantly create Outlook contacts; and AMBIR's Receipt Scanning software to track and organize your expenses while you are on the go.

Key feature/benefits of the TravelScan Pro Go bundle:

Portable Light-weight Design: At less than one pound, the TravelScan Pro Go is the perfect portable solution. The USB powered scanner, travel case, and complete software

solution makes it the ideal solution for all mobile professionals.

Get Organized: The included AmbirScan software makes digitizing, organizing, and sharing documents a breeze. Save scans as PDFs, TIF's or JPEG's to your local computer or popular Cloud services. Save time looking for files by create searchable PDF's.

Create Outlook Contacts: AMBIR Business Card Scanning Software that reads and extract name, company name, address and other info from business cards automatically creating shareable contacts in outlook or an excel file. All without a subscription.

Capture and Track Expenses: AMBIR's Receipt Scanning software makes managing and tracking your expenses easy. AmbirScan Receipt uses OCR technology to extract useful information from

your receipts. This information can be exported to Excel for expense tracking or easily exported into solutions like QuickBooks®, Quicken®, and TurboTax®.

Whether you're a mobile worker, field rep, or just working from home, the TravelScan is an invaluable tool that will help keep you organized while away from a traditional office setting. The integrated software that accompanies the scanner makes getting organized and increasing your productivity a snap. The TravelScan Pro is CITRIX-ready and is fully supported for PC users on Windows 7, 8, and 10 (both 32-bit and 64-bit operating systems).

The Bundle is available to be purchased direct, via our Amazon store or through one of our distributors.

About AMBIR

AMBIR is a global hardware manufacturer with over 20 years of experience in delivering enterprise-focused digital capture products that help clients eliminate paper workflows and improve overall organizational efficiency through better information capture and sharing. Through a combination of document scanners, barcode scanners, capture software, and digital signing tablets, AMBIR can transform legacy workflows into more efficient digital workflows delivering better financial and organizational performance. AMBIR products are sold and marketed throughout the world to businesses and consumers alike with a strong focus on innovation, reliability, and delivering an outstanding customer experience through the life of our products.
