

Diesel Core will welcome attendees at AAPEX Booth in Las Vegas

HOUSTON, TEXAS, UNITED STATES, October 24, 2023 /EINPresswire.com/ -- [DieselCore](#), will attend the 2023 Automotive Aftermarket Product Exposition (AAPEX) Show on October 31 – November 2, 2023, at the Venetian Expo in Las Vegas. Those who plan to attend the show can stop by Booth # A4468 in the Remanufacturing Section of the Expo Hall to learn more about sustainable manufacturing of renewable components from the foremost supplier to remanufacturers and parts distributors worldwide.

“We are excited to once again have a major presence at AAPEX in 2023,” said Justin Greenberg, CEO of DieselCore. “We are excited to make new connections and reconnect with our partners in the remanufacturing industry. Our goal is to show our partners how to find the quickest, most cost-effective way to achieve their sustainable manufacturing goals.” In addition to being CEO of DieselCore, Justin also services as a MEMA (Motor and Equipment Manufacturing Association) Aftermarket Supplier board member.

“

Our goal is to show our partners how to find the quickest, most cost-effective way to achieve their sustainable manufacturing goals.”

Justin Greenberg, CEO of DieselCore
