

Digital Hands Named Inc.'s 2023 Power Partner for Privacy and Security

Recognized globally for accelerating the protection of B2B organizations with innovative, flexible Managed Security Services

TAMPA, FLA, UNITED STATES, October 24, 2023 /EINPresswire.com/ -- Inc. Business Media today

“

We remain steadfast in our mission to provide composable enterprise-grade cybersecurity services that flexes based on our customers' investments and preferred technology vendors.”

Charlotte Baker, CEO of Digital Hands

announced its 2023 Power Partner Awards, honoring B2B organizations across the globe who have proven track records supporting businesses succeed. All companies named as a 2023 Power Partner received top marks from their clients for being instrumental in helping their business navigate today's dynamic world. The award recognizes organizations in security and privacy, artificial intelligence and data, IT management and systems, customer relationship management, outsourcing solutions and other business areas.

“Trusted B2B partners provide guidance and expertise that founders rely on at various steps of their organization's

journey. Partners that possess a demonstrated ability to deliver quality support are at the core of entrepreneurship and help bring big ideas to life,” says Scott Omelianuk, editor-in-chief of Inc. Business Media.

“Being named as Inc.'s 2023 Power Partner for Privacy and Security is a testament to the unwavering dedication and tireless efforts of our entire team. Our sustainable advantage across our 20-year history as a pioneer in cyber services has always centered around the rapid assimilation of the latest technologies fortified by custom software and integrations that deliver outcomes of value and speed to our customers – all delivered “as a service,” says Charlotte Baker, CEO of Digital Hands. “We remain steadfast in our mission to provide composable enterprise-grade cybersecurity services that flexes based on our customers' investments and preferred technology vendors.”

Digital Hands continues to achieve numerous remarkable milestones. Among its most notable achievements are its consistent recognition as a leader in cybersecurity innovation, like a five-time TSIA award winner and a five-time Top MSSP Alert award winner recently ranked at 38 out

of 250 MSSPs worldwide in 2023. In addition to industry acknowledgment, customers continue to grant Digital Hands net promoter scores ranging from 71 to 74 and quarterly CSAT scores ranging from 94-96% (as tracked over the last 3 years).
