

# OnlineCheckWriter.com's Bulk Payment Feature Enables Payments to Multiple Users Simultaneously

*Businesses and individuals can experience a flexible payment option*

TYLER, TEXAS, UNITED STATES, October 24, 2023 /EINPresswire.com/ --

OnlineCheckWriter.com, the leading B2B payment platform, announced the new update in its [Bulk Payment feature](#). The feature helps users make multiple payments simultaneously from various sources, like wallets, bank accounts, and credit cards. Users can make the payments through their preferred choices like ACH, wire transfer, virtual card, or mail check. This feature helps businesses and individuals to manage and simplify their transactions, whether for payroll, payments to suppliers or bills, or recurring payments.

The bulk payment feature allows users to create groups to make payments, which can be used for future use. Users can streamline the process with payment groups and ensure payments can be made automatically. By enabling users to make up to 25 payments simultaneously, users can enhance their payment processes, saving time and resources.

Zil Money Corporation, a prominent business payment solution, is a parent company of OnlineCheckWriter.com, ZilBank.com, and ZilMoney.com. OnlineCheckWriter.com offers multiple payment options, including ACH, wire, e-checks, mailed checks, wire transfers, payment links, QR codes, etc. The platform also provides features like Positive Pay, [Pay by Credit Card](#), [Payroll by Credit Card](#), etc., to streamline users' finances.

OnlineCheckWriter.com seamlessly integrates with accounting and payroll software, improving

user experience and making financial management and payments more efficient for businesses and individuals. The platform has more than 750,000 users and has processed over \$50 billion transactions.

OnlineCheckWriter.com is a user-friendly payment service platform that aims to provide small and medium businesses with the best financial management experience, even during cash flow constraints. The platform's commitment to providing the best service made it a leading fintech platform worldwide.
