

# Award Force Introduces 'Growth' Pricing Plan

*New plan offers direct, affordable access to world-class judging suite*

NAXXAR, MALTA, October 24, 2023 /EINPresswire.com/ -- Award Force, the leading provider of awards management software, has introduced a new pricing plan aimed at bringing its world-class judging suite to more organisations than ever before.

The new "Growth" plan provides affordable access to Award Force's powerful suite of decision-making tools, providing awards with the ability to judge entries through qualifying, voting, scoring or top pick for consensus amongst large judging panels.

"This new pricing plan will help smaller programs breathe more sophistication into their awards—without a hefty price tag," said Richard de Nys, Award Force founder and managing director.

Key features of the Growth plan include:

This new pricing plan will help smaller programs breathe more sophistication into their awards—without a hefty price tag."

*Richard de Nys, Award Force founder and managing director*

- \* A configurable entry process
- \* Four powerful judging modes
- \* Unlimited program managers and users
- \* Unlimited submissions
- \* And much more

As with all Award Force plans, the Growth plan is backed by a strong security posture, high availability and industry-leading customer support.

The Growth plan is offered alongside Award Force's Pro and Enterprise plans, which offer further features like branding, sponsorship visibility, the ability to accept entry payments and other features.
