In addition to offering the full spectrum of IT services necessary for small- to mid-sized companies, i-Tech is also a top [Acumatica Cloud ERP](#) (Enterprise Resource Planning) partner, and School Technology partner. Over the years, the company has earned a reputation for its unwavering dedication to customer satisfaction, as evidenced by its

numerous 5-star ratings on Google.

"We are excited to build our presence in South Florida, a vibrant and dynamic hub where we've

conducted business for years," says Stockman. "Through our local team, we are committed to delivering the high-touch approach that has been the hallmark of our company's mission for the past 24 years. We look forward to building strong relationships with more Miami-area businesses and schools and to helping them achieve their goals."

i-Tech's South Florida branch will be led by Zaheer Ali, an industry veteran with 16 years of experience in IT management. Under his leadership, organizations in South Florida can continue to benefit from the breadth of expertise of the entire company with the addition of responsive, local support from his team of professionals.

i-Tech Support's commitment to excellence extends beyond its services; the company is also dedicated to giving back to the communities it serves. As part of its corporate social responsibility efforts, i-Tech partners with its customers to support local charities including Breakthrough Miami and Friends of South Florida Autism.

In celebration of the grand opening, i-Tech will be offering special pricing for new clients in South Florida for a limited time.
