

Historic Swann House, a Dupont Circle Gem, Embraces a Grand Renaissance under {verdigrreen} Ownership.

{verdigrreen} Artfully Renovates Swann House for Reuse

WASHINGTON, DC, UNITES STATES, October 25, 2023 /EINPresswire.com/ -- [Swann House](#), a historic mansion nestled in the heart of Dupont Circle, is delighted to announce its return to the hospitality scene after a year-long renovation under the guidance of [{verdigrreen}](#) hotels. The newly refurbished Swann House Hotel opened its doors to guests in October, becoming a valued addition to the {verdigrreen} hotel and residences collection.

{verdigrreen} hotels, a family-owned boutique lodging brand with a passion for revitalizing historic inns, has played a crucial role in transforming eight East Coast properties into immersive, design-forward accommodations. From Woodstock, New York, to Treasure Island, Florida, their portfolio reflects a commitment to rejuvenation and contemporary appeal.

Swann House, a storied mansion and one of the oldest free-standing treasures in Dupont Circle, now finds its place within the {verdigrreen} family. Built in 1883 by Washington artist and architect Walter Paris, Swann House was home to celebrated Washingtonians before its transformation into a Bed & Breakfast in 1996. In recognition of its historical value, the property was listed on the National Register of Historic Places in 1978.

Swann House's historical significance extends further, having served as the backdrop for events attended by U.S. President William Howard Taft and financier JP Morgan. These moments still resonate throughout the halls of this stately mansion, adding to its charm.

The interior transformation of Swann House celebrates its authenticity and craftsmanship of the 19th century. The dedicated {verdigrreen} hotels team meticulously restored the magnificently carved fireplaces, original wood floors, and ornate plaster moldings. Modern furnishings, carefully selected to complement the property's rich history, echo its curvature and color palette. Hand-selected original artwork adorns the hallways and guest rooms, adding a vibrant touch to the elegant ambiance.

Azie Shelhorse, Chief Creative Officer at {verdigrreen} hotels, expressed their excitement, saying, "We are thrilled to offer our guests a unique respite in the heart of D.C., where the legacy of the mansion is carefully preserved and intertwined with modern design. The Swann House is a beautiful, historic property, and we are honored to be a part of it."
