

GENEDGE Announces New Regional Growth Manager Hampton Roads Region

MARTINSVILLE, VA, UNITED STATES, October 24, 2023 /EINPresswire.com/ -- [GENEDGE](#), Virginia's best public resource to help existing manufacturing and industry innovate, compete, and grow, is pleased to announce that [Sean Storan](#) has been hired as Regional Growth Manager for the [Hampton Roads region](#).

As a Regional Growth Manager, Sean Storan will lead business development efforts to support manufacturers in the Hampton Roads region of the Commonwealth. He will collaborate with owners and senior executives of manufacturing, engineering, and technology companies to manage the full lifecycle of projects supporting the companies' strategic goals. Prior to joining the GENEDGE team, he was the Senior Vice President of Business

Development for Integrity ISR, LLC. Other previous positions were Senior Vice President of Strategic Accounts for Pervacio, Inc. where he was hired specifically for his demonstrated ability to foster and manage relationships with high interest strategic clients, including Apple and AT&T.

While there he built a from-scratch network with Apple's Warehouse Service Operations teams in Ireland and the UK. Sean is known for his extensive record of achievement across trade, international, and organizational boundaries, building and leveraging strategic partnerships with individuals, companies, grassroots organizations and targeted demographics to achieve market expansion.

Sean earned a bachelor's degree from the Sligo Institute of Technology in Sligo, Ireland where he graduated with honors.
