

# Sunergy Systems has Won Solar Awards for 2023

*Washington State's Most Trusted Solar Company*

SEATTLE, WA, UNITED STATES, October 25, 2023 /EINPresswire.com/ -- Sunergy Systems, an employee-owned company, has recently won two important solar awards. The first was 2023 Top Solar Installer from Solar Power World.

For 2022, the company installed 2,277 kW in the state of Washington and was ranked as 102 in the publication's list of installers nationwide. Solar Power World, the leading solar publication

covering technology, development, and installation, publishes the Top Solar Contractors list annually. The list includes hundreds of solar contractors and developers in the United States, listed and categorized by state/territory, service, and market.

“

We are pleased to receive awards that show that our years of service to solar customers, our communities and the earth are noticed. Our employee-owned solar company continues to make a difference!”

*Howard Lamb, Founder of Sunergy Systems*

The second award was in Washington, from the Seattle Times — Silver Solar Energy Provider in their Best in the PNW - People's Choice. This shows that their community supports and believes in the quality of the work they do in sustainable energy.

“We are pleased to receive these awards that show that our years of service to solar customers, our communities

and the earth are noticed,” stated Howard Lamb, Founder of Sunergy Systems. “Our employee-owned solar company continues to make a difference!”
