

Waya® Health Empowers Patients and Professionals with Release of its Immersive, On-demand Fall Assessment Application

This forward-thinking solution allows professionals to provide standardized and personalized fall assessments while saving valuable time and resources.

BOONE, NC, UNITED STATES, October 25, 2023 /EINPresswire.com/ -- [Waya® Health](https://www.wayahealth.com) is thrilled to introduce its groundbreaking [Waya® Fall Assessment](#) application. Falls and the subsequent injuries exact a substantial toll on patients and families, and evaluating the myriad risk factors contributing to falls has imposed a heavy burden on time and resources for providers and healthcare institutions. Enter Waya® Fall Assessment, a cutting-edge, on-demand, and standardized immersive solution, effectively addressing these complex challenges.

different people administer tests, while saving staff time and enabling personnel to complete other clinical tasks

- Personalized patient assessments can help providers identify patients that may be at risk for a fall, identify patient deterioration over time, or follow up on the efficacy of various interventions

In line with the company's mission, Waya® Fall Assessment leverages immersive technologies to advance the quality of care in a way that benefits both patients and the professionals caring for them.
