

KENTECH Voted to the Great Place to Work List

KENTECH, a leading background investigative technology company, was recently selected on the Best Places to Work list.

CHICAGO, IL, USA, October 25, 2023 /EINPresswire.com/ -- KENTECH, a leading background investigative [technology](#) company, announced that it has made the Best Places to Work list. The list recognizes companies that have created exceptional workplace cultures that foster employee engagement, satisfaction, and well-being.

KENTECH was selected for the list based on its strong employee satisfaction scores, its commitment to diversity and inclusion, and its focus on providing employees with opportunities for growth and development. The company also offers a variety of employee perks and benefits, including competitive salaries, comprehensive healthcare coverage, and generous paid time off.

"We are honored to be named to the Great Place to Work list," said Kenneth Coats, CEO at KENTECH. "Our employees are our most valuable asset, and we are committed to creating a workplace culture where they can thrive. We are proud to offer our employees a competitive compensation and benefits package and opportunities for professional development and growth."

KENTECH is a growing company with a strong track record of success. The company provides background investigative services to a wide range of clients, including businesses, government agencies, and non-profit organizations. KENTECH is known for its innovative patented technology and its commitment to providing its clients with accurate and timely results.

"We are excited to be recognized as one of the best places to work in the country," said Anna Fong. "We are committed to continuing to build a workplace culture where our employees feel valued and supported."
