

EdSanta Education's Elite Learning Honoured as top 3 learning & upskilling solution by Gartner's Capterra and The Hindu

Elite Learning secured a position among India's top 3 learning & upskilling solutions by Gartner's Capterra & The Hindu.

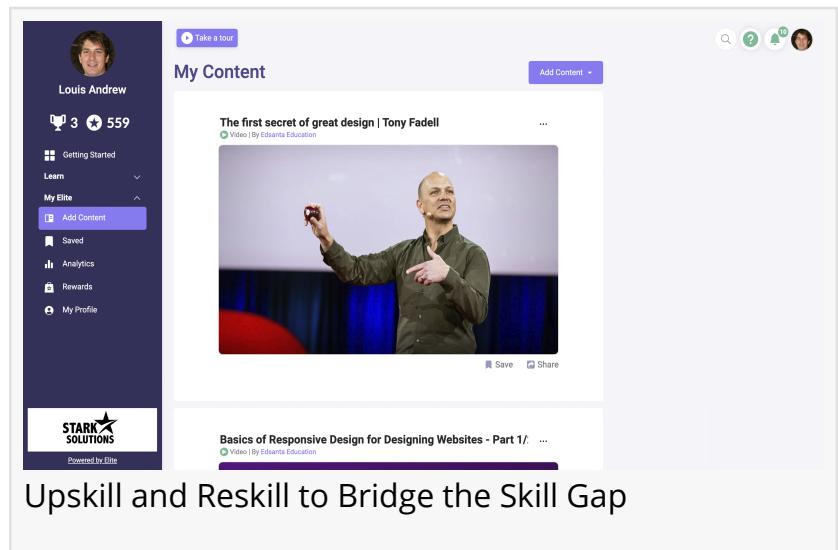

BENGALURU, KARNATAKA, INDIA, October 25, 2023 /EINPresswire.com/ -- [Elite Learning](#), a flagship product of EdSanta Education, has been awarded as India's top 3 learning and upskilling solutions, as recognized by Gartner's Capterra and The Hindu. This accolade is a testament to Elite Learning's commitment to uplifting global upskilling and reskilling for teams worldwide.

With over 2000+ enterprises across the globe trusting Elite Learning, this product is working on enhancing the rules of upskilling and reskilling in the workplace. The key to its effective workplace alignment is the extensive library of over 200 million+ curated learning resources spanning across 1800+ skills. Elite Learning serves as the one-stop solution for enterprise upskilling, empowering organizations to nurture the skills and talents of their teams efficiently.

Elite Learning's core features, which have led to its well-deserved recognition, include its content library, which boasts an extensive repository of over 200 million curated learning resources. Covering more than 1800 skills, this diverse library ensures that teams have access to the most up-to-date and relevant knowledge, fostering growth and development. Its personalized learning paths adapt to individual needs, enabling a customized learning experience for each team

member. This ensures that employees acquire the skills they need to excel in their roles. Elite Learning offers an assessment and certification system, allowing organizations to measure the progress and proficiency of their employees. These certifications validate skills and knowledge, adding credibility to the learning process. The platform provides detailed analytics to help organizations track the effectiveness of their upskilling efforts. These insights allow for data-driven decision-making and continuous improvement.

Upskill and Reskill to Bridge the Skill Gap

The success of Elite Learning is not only attributed to its features but also to the unwavering passion and dedication of its founders, [Rohan Krishna](#) (Co-Founder & CEO) and Bhanu Prasad (Co-Founder & COO). They have been the driving force behind the transformation of upskilling and reskilling in the workplace. Rohan Krishna, Co-Founder & CEO, shared his thoughts on the achievement, "We are honored and humbled to be recognized as one of India's top 3 learning and upskilling solutions. Our journey began with a simple vision: to empower organizations with the tools they need to nurture the talents of their employees. This recognition is a testament to the hard work and dedication of our team, who have worked tirelessly to make Elite Learning a fitting solution for upskilling."

Bhanu Prasad, Co-Founder & COO, added, "Our journey has been marked by innovation and a deep commitment to making learning accessible and engaging. We believe that the future of work depends on continuous learning, and Elite Learning is at the forefront of this movement. This recognition inspires us to continue our mission of transforming the way organizations approach upskilling and reskilling."

Elite Learning's impact extends far beyond the Indian subcontinent, as it has already gained the trust of over 2000 enterprises worldwide. By offering a single platform for upskilling, organizations can reduce costs, enhance employee productivity, and adapt to the ever-evolving demands of the modern workforce.

Gartner's Capterra and The Hindu recognition further cements Elite Learning's reputation as a leader in the learning and upskilling industry. This accolade underscores the platform's commitment to excellence and its ability to deliver value to organizations seeking to invest in the growth of their teams.

As the world of work continues to evolve, upskilling and reskilling are no longer optional but essential for success. EdSanta Education's Elite Learning is committed to staying at the forefront of this transformation, ensuring that individuals and organizations are equipped with the

knowledge and skills needed to thrive.
