About Ventiques: Ventiques is a proud seller of premium quality metal and wood floor vents. It started selling premium metal and wood floor vents years ago. We started selling flush mount floor vents so that everyone can walk on the floor without hassles. We had some other plans with these vents as drop-in vents were not unique and attractive. The drop-in vents may cause hurdles in walking smoothly, so we came up with the unique idea of flush mount floor vents and brought a wide range of stylish vents. Our primary focus is on selling a wide range of premium quality flush mount floor vents. We are a pride seller of a wide variety of wood and metal floor vents. We are bringing a big change to the vents industry with functional and advanced heating, air conditioning, and air exchange systems.

Our aim is to bring highly stylish and intricately designed flush-mount floor vents and drop-in vents. We utilize the finest quality of metal and wood to produce vents. Our vents are highly functional and intricately designed vents in a wide range of color options. The color options include Arctic white, mountain fog, Silver River, burnt leaf, desert sand, midnight black, etc. All the color options bring brightness to every space and make it unique with fine and attractive colors. Now everyone can refine and renovate their space utilizing highly functional and unique flush-mount floor vents.
