

Three New Luxury Rug Designs Are Homage to Architect Oscar Niemeyer

Britto Charette Unveils a New Collection of Rugs in Collaboration with Luxury Rug Maker Kyle Bunting

MIAMI, FLORIDA, UNITED STATES, October 25, 2023 /EINPresswire.com/ -- Miami designers, Jay Britto and David Charette, of the award-winning Miami interior design firm, [BRITTO CHARETTE](#), announce the launch of [BRASILIA](#), a vibrant collection of luxurious hide rugs created in collaboration with esteemed rug maker, Kyle Bunting. Handcrafted in Bunting's Austin, Texas studio, the designers' latest collection is comprised of three fully-customizable rugs: MIKA, BIOTA, and FLORA.

Jay Britto, Kyle Bunting, David Charette showcase 3 rugs from Brasilia Collection

The [BRASILIA Collection](#) is the second collaboration between Britto Charette and Kyle Bunting and was inspired by David Charette's trips to Brazil and the many installations and buildings by renowned Brazilian architect Oscar Niemeyer that Charette visited and admires. The new collection draws from Charette's collective experiences in Brazil and is a tactile, textured homage to Oscar Niemeyer and to Charette's beloved city of Brasilia. The Niemeyer hotel in Brasilia and Charette's introduction to the tile work, mosaics, and geometry he discovered throughout the city all served to inform and inspire his design.

“

After COVID left me with temporary paralysis in my dominant hand, I visited Brasilia and began sketching again. The BRASILIA Collection is my love letter to the city and architect that helped me heal.”

David Charette

Kyle Bunting uses premium Italian cow hides to create his signature custom designs for luxurious home interiors. Bunting's bold and sophisticated rugs and wall art are sought after by interior designers who, like Britto Charette, value unique and beautiful home decor options. The manufacturing process Bunting and his team use allows for

intricate patterns like the MIKA, BIOTA, and FLORA.

The BRASILIA COLLECTION is available for purchase from Kyle Bunting. Custom colors and sizes are available upon request and allow for design flexibility.
