

Capitaliz Introduces Podcast Series to Help Private Business Owners Navigate Business Succession Planning

Exit Like a Boss Helps Business Owners Extract Value at Exit to Fund Next Venture or Early Retirement

DENVER, CO, USA, October 26, 2023 /EINPresswire.com/ -- [Capitaliz](#), a leading digital platform for exit planners to deliver scalable business valuation, succession, and exit planning outcomes, today announced "Exit Like a Boss," an innovative and informative podcast series designed exclusively for private business owners. Hosted by Capitaliz Founder Dr. Craig West, with over 2 decades of experience and a track record of helping over 800 business owners extract value at exit, this podcast intends to be a go-to resource for small and medium-sized business owners to help scale and prepare for a successful exit strategy.

Listen to all 21 10-minute episodes in under a month

Both seasoned and aspiring business owners are able to learn critical components and better understand the key steps to maximize and extract value at exit. Each digestible lesson is under 10 minutes and designed to help business owners achieve financial independence and a secure future, covering topics like systemization, key person insurance, and how to navigate the tricky waters of capital gains tax.

"Exit Like a Boss is a roadmap to achieving financial independence through bite-sized daily lessons that provide business owners with the exact tools and strategies necessary to make the most out of their businesses and secure their financial futures," commented West. "These time-tested steps have helped hundreds of business owners realize the true potential of their assets

and now we're making these insights and our proprietary methods available directly to business owners—so they can keep more of what they've worked so hard to build.”
