

CybeReady Named Winner of the Coveted Top InfoSec Innovator Awards for 2023

Company Recognized in 11th Annual Cyber Defense Magazine InfoSec Awards during CyberDefenseCon 2023

SANTA CLARA, CA, UNITED STATES,
October 26, 2023 /EINPresswire.com/ --

[CybeReady](#), a global leader in security awareness training, today announced that the company's Security Awareness Training solution has been named a winner in the 2023 Top InfoSec Innovator Awards for the Most Innovative Security Awareness Training solution.

CybeReady provides a proven security awareness training solution that takes employees from awareness to readiness. The solution combines training expertise, machine learning, and adaptive training techniques, empowering organizations to quickly and efficiently train employees and build a resilient workforce. With an emphasis on adaptive, positive and engaging learning experiences, CybeReady guarantees to change employees behavior and build a sustainable cybersecurity culture across all organizational levels.

The award-winning Security Awareness Training platform helps organizations go beyond security awareness training compliance and provide measurable change in security awareness. The SaaS-based solution by CybeReady pairs phishing simulations with different employee risk groups, enhanced by awareness bites with a short quiz to reinforce the learning. The training solution is delivered autonomously to employee inboxes and adapted per their roles, departments, location and risk group -- removing the burden from the IT team. To ensure success, the security training solution supports key performance indicators (KPIs) to show employee engagements and learning progress, making it easy to report ROI to management.

"We're thrilled to be a member in this coveted group of winners in the 11th year of the Cyber Defense Awards, during CyberDefenseCon 2023, where the Top Global CISOs exclusively gather by invitation only. We knew the competition would be tough and with top judges who are leading infosec experts from around the globe, we couldn't be more pleased," said Eitan Fogel, CEO of CybeReady.

"We scoured the globe looking for cybersecurity innovators that could make a huge difference and potentially help turn the tide against the exponential growth in cyber-crime. CybeReady is

worthy of being named a winner in these coveted awards and consideration for deployment in your environment,” said Yan Ross, Editor of Cyber Defense Magazine.
