

Globalbiz Outlook Magazine Features Top Transformational Leaders of the Year, 2023

SCHAUMBURG , ILLINOIS, UNITED STATES, October 26, 2023

/EINPresswire.com/ -- The corporate sector only survives on optimism, a strong work ethic, creativity, and outstanding leadership. Numerous leaders have shaped the corporate world throughout the years with their

ground-breaking concepts, professionalism, leadership, inspiration, and significant contributions. Apart from their enormous wealth, these leaders are highly charismatic, which makes them approachable and admired, and they are ideal role models for budding entrepreneurs. Their leadership skills and intelligence inspire confidence in their team members, customers, investors, and other stakeholders.

“

An excellent guide and a great leader make a remarkable difference in the lives of others.”

Sugandha Sharma

We at Global Biz Outlook acknowledge and appreciate the work these exceptional leaders put in as they developed and rose to the top and the improvements they brought about. We dedicate this “Top Transformational Leaders of the Year, 2023” issue to them. Featured as the cover story, we have covered the successful journey of [Dr. Kristin L. Kahle](#), Founder of [NavigateHCR](#). [Dr. K](#) is a multiple-time best-selling author, is the founder of NavigateHCR, an educator for the Women Technologies Foundation, and serves on multiple boards. Dr. K is a lobbyist on Capitol Hill for HEEL, Help for Employers and Employees Under ACA Legislation, a non-profit organization she founded. She is the only female athlete to score over 1000 points and rebounds, a “double-double: for her undergrad college. Dr. K is President of EO West Bridge Entrepreneurs’ Organization, Board Chair of IDEA Health & Fitness Association, and Board member of Band of Hands.
