Journal has recognized WLX | WLE as the 21st largest logistics company in the greater Kansas City area in the recently released list of "Logistics, Trucking, and Transportation Companies in the Kansas City Metro Area." The rankings, published on September 29, 2023, reflect the number of local full-time employees at each organization.

The comprehensive list highlights the top logistics, trucking, and transportation companies in the Kansas City region. The list can be found on the Kansas City Business

Journal website, <https://www.bizjournals.com/kansascity/>.

WLX | WLE, headquartered in Kansas City, has experienced substantial expansion in recent years, and this recognition is a reflection of the company's hard work, innovation, and superior customer service. The company offers various logistics services, including freight brokerage, transportation management, and supply chain solutions.

"As we celebrate being named the 21st largest logistics company in Kansas City by Kansas CityBusiness Journal, we are truly grateful for the trust and support of our clients, partners, and our dedicated team of professionals who have been instrumental in our growth," said Sonny Catlett, President of WLX | WLE.

WLX | WLE also attributes its success to a combination of a vast carrier network, new, state-of-the-art trucks and equipment, and a team of experienced professionals who are committed to delivering tailored logistics solutions to meet the unique needs of each client.
