## ["Seed of Simon"](#): Michael E. Goings' Latest Literary Masterpiece

"Seed of Simon," Michael's latest literary creation, is a gripping narrative that takes an unexpected turn when Rafael discovers that his blood donation miraculously heals a man. Fearing exploitation by pharmaceutical giants, Simon goes undercover to protect himself. Along the way, he forms an alliance with two steadfast companions, embarking on a mission to use his miraculous blood to heal the sick and rescue kidnapped children from occultists on Halloween night. "Seed of Simon" is a compelling tale of faith, sacrifice, and the indomitable power of the human spirit, seamlessly blending elements of history, intrigue, and hope.
