MADRID, SPAIN, October 27, 2023 /EINPresswire.com/ --

Over 8,000 mobility professionals joined Global Mobility Call / IFEMA Madrid, marking a significant milestone for the event. The congress, organized by GMC, attracted a record number of attendees, with 42% of participants coming from international markets. The event featured over 120 exhibitors, including major industry players like Arriva, and showcased the latest trends and innovations in sustainable mobility.

GMC and IFEMA are proud to host this event, which serves as a platform for industry leaders to share their insights and experiences. The congress is a key event in the mobility calendar, providing a unique opportunity for professionals to network and explore new business opportunities. The event is held at the IFEMA Madrid exhibition center, one of the largest and most modern venues in Europe.

The event is a testament to the growing importance of sustainable mobility in the global economy. With the increasing focus on reducing carbon emissions and improving urban mobility, the industry is looking for innovative solutions. The congress provides a valuable forum for discussing these challenges and sharing best practices. The event is a must-attend for anyone involved in the mobility sector.
