

# HappiTravel Adds Annual Renewal Bonus Vacations

*Customers can now receive a bonus vacation upon renewal of their annual membership!*

MISSOULA, MONTANA, UNITED STATES, November 1, 2023 /EINPresswire.com/ -- HappiTravel, LLC announced the addition of a powerful new annual benefit associated with the HappiTravel® VIP membership. With each annual renewal customers will receive a Renewal Bonus Vacation valued at more than twice the annual membership fee.

HappiTravel Renewal Bonus

Similar to top tier airline co-branded credit cards that offer free companion tickets each year upon renewal, the HappiTravel® Renewal Bonus is designed to reward customer loyalty. Each year upon renewal customers will receive a free 3-day, 2-night “All-inclusive Resort Getaway” for 2 adults including luxury accommodations as well as all meals and drinks. Customers pay only the taxes and processing fee and can choose from available dates for their trip within 24-months. The retail value of the vacation is more than twice the fee for annual renewal, adding to the list of “no-brainer” features associated with HappiTravel® VIP membership.

“

It feels good to know you have at least 1 vacation locked in each year regardless of everything else happening in your life.”

*Mike Darling, CTO*

The move extends the company’s unrelenting focus on consumer value. HappiTravel® customers routinely save \$1,000’s per year by booking travel at rock bottom rates through 9 wholesale booking engines offering hotels, resorts, trips, cruises, vacation rentals, flights, car rentals, transfers, as well as activities & events. Accredited by the Better Business Bureau with an A+ rating, HappiTravel® has received 100’s of glowing customer reviews and a near perfect 5-star rating across numerous platforms and consumer watchdog websites.

"We've always said we're going to take nations on vacations," commented President, Camaron Corr. "As if saving on every single thing you book wasn't already the biggest no-brainer, now customers get a free vacation each year as well. You deserve it!"

Customers can choose from numerous luxury resorts throughout Mexico and the Dominican Republic. There is no catch (no timeshare presentation or other gimmick). Renewal Bonus Vacations are simply designed to ensure every customer is able to experience an amazing getaway at least once a year.

"We listen to our customers," added CTO, Mike Darling. "It feels good to know you have at least 1 vacation locked in each year regardless of everything else happening in your life. We want to help people take more vacations. It's good for your health. It's as simple as that!"
