

# Jireh Property Maintenance Inc. Thrives with Tree Leads Today: Business Doubles Since Partnership

BAYSHORE, NEW YORK, USA, November 2, 2023 /EINPresswire.com/ -- Jireh Property Maintenance Inc., a well-established property maintenance and tree care company with 19 years of dedicated service in the Bayshore, New York area, is thrilled to announce the transformational partnership with Tree Leads Today (TLT). This collaboration has resulted in significant growth and operational improvements, propelling the company to new heights.

Ben, the driving force behind Jireh Property Maintenance Inc., stated, "For nearly two decades, at Jireh Property Maintenance Inc., we've been proud to deliver top-notch property maintenance and tree care services to our valued customers. Headquartered in Bayshore, NY 11706, we have been serving Suffolk County with dedication and commitment to quality tree care."

Jireh Property Maintenance Inc. offers an array of property maintenance services, including tree removal, and they have witnessed a remarkable expansion of their tree division since joining forces with Tree Leads Today (TLT).

Ben elaborated on the impact of this collaboration, "Our tree division's workload has doubled since we began partnering with TLT. This has enabled us to make strategic investments in our equipment and capabilities. Thanks to TLT, we were able to acquire a brand new spider lift, which has proven to be an invaluable addition to our fleet."

One of the key advantages of working with TLT is geo-targeting, which has significantly enhanced Jireh Property Maintenance Inc.'s operational efficiency. Ben explained, "Our jobs are now closer to each other, and we're saving on fuel and travel time. This has allowed me to leave a crew on a job site and quickly attend to estimates just 5-10 minutes away. It's a game-changer for our

workflow."

The impact of TLT on Jireh Property Maintenance Inc. is profound, with Ben summing it up by saying, "TLT has been a game-changer for our business. It's not just about growth; it's about smarter, more efficient operations that benefit both our customers and our bottom line."
