

The Power of Exclusive Leads: De Rosa's Tree Care's Recipe for Success in Tree Care Marketing

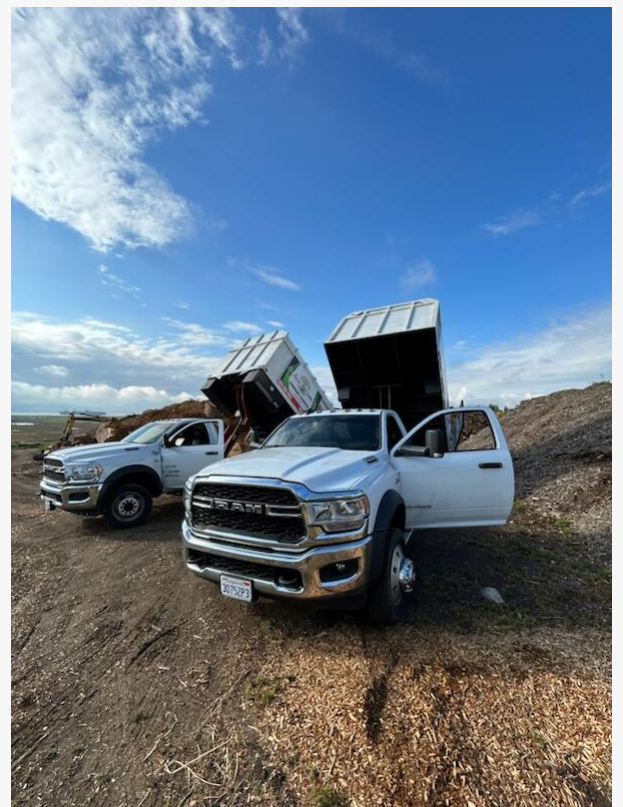

ANTIOCH, CALIFORNIA, USA, October 31, 2023 /EINPresswire.com/ -- De Rosa's Tree Care Inc., led by owner Baltazar De Rosa, has seen exceptional growth through its partnership with Tree Leads Today (TLT), a leading marketing company specializing in providing exclusive leads to tree care and removal businesses. This collaboration has not only expanded De Rosa's Tree Care's presence but also significantly increased its business.

De Rosa's Tree Care Inc., servicing Contra Costa, Yolo, Sacramento, and Solano, has been in the tree care industry for generations. Their commitment to providing competitively priced services, a hardworking team, and exceptional customer service has set them apart in a competitive market. This dedication to quality and customer satisfaction is a cornerstone of their business.

Since joining hands with TLT in 2022, De Rosa's Tree Care has experienced a constant flow of exclusive leads, allowing them to keep their crew busy throughout the year. Their book of business has witnessed substantial growth, with a remarkable 60% increase since partnering with TLT.

De Rosa's Tree Care's story showcases the importance of exclusive leads versus non-exclusive leads in the tree care marketing industry. Baltazar De Rosa emphasizes the benefits of exclusive leads, stating that they eliminate competition with multiple other companies for the same job. Their customers call them directly when they receive their marketing, leading to increased lead quality and customer satisfaction.

One standout aspect of Tree Leads Today's exclusive leads is their geographical targeting, ensuring that leads are local and close to each other. This efficient approach allows De Rosa's Tree Care to fit more jobs into a single day than if the leads were spread out, significantly

increasing their business efficiency.

The preference for phone calls over all other forms of communication is another key aspect of De Rosa's Tree Care's success. Customers reaching out through phone calls enable a more personal interaction and a higher closing rate. De Rosa mentions, "It makes life easier when customers call us, plus we have a higher close rate because Tree Leads Today is marketing our actual business."

As a prominent player in the tree care marketing industry, Tree Leads Today has played a pivotal role in enhancing the growth and success of tree care businesses like De Rosa's Tree Care Inc. Their commitment to providing exclusive, high-quality leads ensures that businesses can thrive and homeowners receive the best services from skilled professionals dedicated to their satisfaction.

With this successful partnership, De Rosa's Tree Care Inc. is poised for continued growth and a promising future in the tree care industry, expanding their presence and delivering exceptional services to clients.
