

Kleer Partners with Five Lakes Dental Practice Solutions, increasing per patient revenue, regardless of coverage status

Nation's leading subscription membership plan provider partners with Five Lakes to maximize dental practice profitability across patient coverage segments.

WAYNE, PENNSYLVANIA, UNITED STATES, November 1, 2023

/EINPresswire.com/ -- Five Lakes Dental Practice Solutions, the leading revenue cycle consultancy focused on insurance

participation strategy, announced a partnership with Kleer, the nation's premier dental membership platform. Through this partnership, Kleer customers can maximize profitability at their practices whether in-network or out-of-network.

Since 2018, Kleer has provided dental practices and DSOs with a unique software solution that enables them to offer subscription-based dental membership plans directly to patients and employers. Practices are fully in control, setting the subscription price, fee schedule, and treatment protocols. The platform helps practices provide a better, more affordable coverage option for their uninsured patients, [automate day-to-day plan management](#), increase patient loyalty and drive engagement to maximize profitability and drive long-term growth.

Dave Monahan, CEO and founder of Kleer, said, "We are very excited to introduce Five Lakes to Kleer's partner network. Our partnership program enables companies like Five Lakes to join forces with Kleer and work closely together to help dental teams optimize production and collections while providing excellent patient care. Combining Kleer's market leading membership plan solution with Five Lakes PPO analysis and consulting services enables dental practices to improve patient access to care, optimize PPO participation, and maximize reimbursements."

Five Lakes Dental Practice Solutions helps dental practices develop, implement and manage an insurance participation strategy to attract and retain patients and maximize reimbursements.

Nick Partridge, CEO and founder of Five Lakes, said, "Partnering with Kleer is a 'win-win' for our

clients and their patients. Kleer shares our data-driven approach offering best-in-class technology and reporting in addition to experience and excellent service. We believe every dental practice needs a membership plan and look forward to collaborating with Kleer to bring about that reality. By optimizing and managing your insurance participation as well as offering a membership plan, practices reduce hurdles to providing exceptional patient care and can do so profitably.”
