LIVINGSTON, NEW JERSEY, UNITED STATES, November 1, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- [The Mark Schonwetter Holocaust Education Foundation](#) announced today the launch of the Journey for the Living Challenge ([JFTL Challenge](#)) which will run throughout the month of November.

The JFTL Challenge is designed to build awareness and support the mission of the Mark Schonwetter Holocaust Education Foundation. The 3rd annual Challenge will take place virtually during the month November and participants will Walk, Run or Ride and track their progress to complete 15 miles.

The JFTL Challenge is a tribute to Mark Schonwetter, a Holocaust survivor, and his mother and younger sister, who walked 15 miles to escape their hometown in Poland to go to a ghetto where they thought they would be safe.

“

Live every day with love and kindness and you will accomplish so much more in life.”

*Mark Schonwetter, Holocaust Survivor*

The JFTL Challenge brings together friends, families, businesses, schools, faith-based groups - people from all walks of life - aimed at celebrating the lives of those whose lives were touched by the Holocaust, remembering those lost, and educating generations to come. This is an excellent opportunity for individuals, organizations and schools to create teams and TAKE THE CHALLENGE.

Take the journey to support Holocaust education.  
Walk, run, ride at least 15 miles during the month of November and raise money and awareness for Holocaust education.

The co-host of the immensely popular podcast, The Toast, has captured the hearts of her online community, and now, she is capturing national attention for her remarkable efforts in supporting a noble cause and raising over \$100,000 in a single social media fundraiser at the close of 2022. What sets Claudia's campaign apart is her remarkable ability to mobilize her vast online audience to contribute smaller donations, as little as \$20 each. This collective effort not only demonstrated her immense influence but also translated her followers' engagement into tangible social impact, making her a beacon of hope and change in the digital age. This inspiring event will take place on November 12, 2023 in Livingston, NJ at the Livingston Oval at 11amET, where attendees will have the unique opportunity to walk alongside Claudia and Mark Schonwetter.

Claudia Oshry's journey from social media influencer to philanthropic powerhouse is a testament to the power of individuals to make a difference. Her story is not just one of viral content and trending hashtags, but of using her platform for good and bringing about real change. Claudia's ability to galvanize a global audience to support a cause as vital as Holocaust education is a remarkable achievement that deserves national recognition.
