

8vdx announces YC S23 Demo Day Fund investment update and launch of Follow-on Fund

NORWALK, CONNECTICUT, UNITED STATES, November 1, 2023 /EINPresswire.com/ -- 8vdx, is excited to announce its recent investment in 30 startups from the Y Combinator (YC) S23 batch after a rigorous evaluation of over 150 startups. This recent milestone brings the total to 90 YC startups that 8vdx has invested in from the past four batches, managing assets of approximately \$9M.

Significant insights from 8vdx's recent engagement with YC's S23 batch include:

YC S23 Batch Overview: The YC S23 batch had a predominant focus on Artificial Intelligence. With an agile approach to investment, 8vdx commenced its funding three weeks prior to YC's demo day, securing attractive valuation opportunities.

Investment Strategy and Co-Investors: 8vdx strategically deployed \$2.25M across 30 startups, with the inclusion of a bridge to demo day loan. Renowned co-investors accompanying 8vdx in this venture include Sequoia Capital, Nexus Venture Partners, Initialized Capital, and SV Angel, among others.

Tech Veterans Onboard: To ensure precision in investment decisions, 8vdx incorporated insights from five tech industry veterans. This team leveraged AI Analyst copilot, an in-house tool, for comprehensive investment reports on YC's S23 startups.

Furthermore, 8vdx is excited to introduce its Follow-on Fund, designed to channel strategic investments into distinguished YC portfolio startups prepped for Series A raises. This fund emphasizes 8vdx's commitment to nurturing startups in its portfolio, aiming to deploy investments ranging from \$500k to \$1M.

YC stands as one of the world's premier startup accelerators, boasting over 90 unicorns and generating \$600B+ in value. 8vdx, a YC W22 batch alum, uniquely positions itself in this ecosystem with early access and invaluable insights, setting it apart from other Venture Capital Funds.
