Setting New Standards in Security and Reliability for Institutional Custodial Services

HONG KONG, CHINA, November 1, 2023 /EINPresswire.com/ -- To enable a wealth management platform for digital asset mass adoptions, Aegis Custody

(<https://www.aegiscustody.com/>), a regarded leader in digital asset custody, has announced a partnership with two esteemed institutions, Fosun

(<https://www.fosunam.com/>) Wealth, the financial technology services platform and investment entity of

Fosun International Limited (0656.HK) and Hundsun Ayers (<https://www.hundsun.com.hk/en/indexAction>), the wholly owned subsidiary of Hundsun Technologies Inc. (SHA: 600570).

Aegis Custody Announces Partnership with Fosun Wealth & Hundsun Ayers

The goal is to cultivate a digital asset ecosystem with innovative products, including Real World Asset (RWA) tokenized funds, Security Token Offerings (STOs), licensed Stablecoins, and other digital asset fund products among Hong Kong's securities houses and asset managers while serving clients worldwide. This three-party collaboration firmly establishes Aegis Custody as the preferred choice for top-tier security and dependability in institutional custodial solutions and represents a milestone in advancing the financial institution infrastructure upgrades in Hong Kong.

Fosun Wealth, widely recognized for its offerings, has chosen Aegis Custody and Hundsun Ayers as their strategic partners. This collaboration highlights Fosun's commitment to leading financial innovations and protecting its client's digital assets while leveraging Aegis Custody's security protocols and extensive industry expertise.

Cai Hua, the COO of Fosun Wealth International Holding, is excited about this partnership; "The partnership with Hundsun Ayers and Aegis Custody reaffirms our dedication to innovation, security, and the seamless integration of finance with the world of digital assets. Aegis Custody is set to impact the digital asset landscape in Hong Kong."

On the solution provider side, Aegis Custody and Hundsun Ayers are creating an all-in-one solution that seamlessly integrates with VATP, licensed asset managers, brokerage and banking system partners throughout Hong Kong. This infrastructure upgrade is necessary for Hong Kong to become the Web 3 center.

Andy Chen, the innovative Business Director of Hundsun Ayers, expressed his excitement about this venture with Fosun Wealth and Aegis Custody; "We are delighted to embark on this journey with Fosun Wealth and Aegis Custody. This partnership underscores our unwavering dedication to delivering security and reliability that these esteemed institutions trust."
