solutions and performance management among others.

"We are happy to join hands with Signzy, a leader in digital onboarding solutions," says Vivek Gupta, CEO of LMDmax, and one of the Top 100 Influential People in AI as per Data IQ. "This collaboration allows us to offer a powerful joint solution of digital onboarding and comprehensive HR solutions. Together, we aim to drive efficiency, enhance HR processes and ultimately help businesses achieve their hiring objectives.

By integrating Signzy's and LMDmax's platforms, businesses can efficiently manage hiring funnels within a unified platform, ensuring well-informed and compliant hiring decisions. The integrated solution enhances the overall applicant experience by keeping them informed throughout the hiring process and provides a user-friendly and centralized platform for employers. Moreover, data security and compliance are prioritized, with both Signzy and LMDmax ensuring applicant data is handled with confidentiality and in accordance with regulations.

About Signzy

Signzy is a global leader in AI-powered digital onboarding, streamlining processes to help businesses and financial institutions automate customer onboarding, compliance and verification. With advanced security measures, Signzy ensures full compliance with regulations and protects sensitive customer data from fraud and cyberattacks. Signzy's mission is to digitize and automate customer onboarding, reduce costs and ensure a secure and positive customer experience.
