The scholarship panel, made up of some of the brightest minds in the web design industry, was particularly impressed by Chiu's ability to create a website that is not only visually striking but also user-friendly and fully responsive.

“

Jocelyn's portfolio is a testament to her talent and hard work. It's no wonder our judges were unanimous in their decision.”

Ken Braun, founder and owner of Lounge Lizard, had this to say about Chiu's work: “Jocelyn's portfolio is a testament to her talent and hard work. The way she has managed to blend aesthetics with functionality is truly commendable. It's no wonder our judges were unanimous in their decision. We can't wait to see where her talents take her.”
