“

As a company, Social Discovery Group is constantly looking for ways to provide people of all communities with options to come together and continue to solve the epidemic of loneliness.”

*Dmitry Volkov, CEO of Social Discovery Group*

Social Discovery Group (SDG) is on a mission to combat the pervasive issues of loneliness, isolation, and disconnection often engendered by the digital age. The company's portfolio encompasses an array of cutting-edge products, including international dating sites, novel social and entertainment apps, and state-of-the-art AI technologies. Together, these offerings are reshaping the way people interact and forge connections with one another.

Within SDG's network, there are niche platforms designed to cater specifically to the diverse needs and preferences of the LGBTQIA+ community. These social discovery sites

include:

- [Dating.com](#): an online dating service with members from 40+ countries and focuses on connecting men and women worldwide who identify as straight, bisexual, gay, and lesbian.
- DateMyAge ([www.datemyage.com](http://www.datemyage.com)): one of the best dating apps for mature and senior people

and meet friends and/or find love among like-minded singles 40+.

- GuysOnly ([www.guysonly.com](http://www.guysonly.com)): a fabulous gay dating app packed with opportunities including unlimited free chat, eye-popping content, and ice-breaker mingling.

- GirlsOnlyDating ([www.girlsonlydating.com](http://www.girlsonlydating.com)): a unique lesbian website where you can meet your partner locally or internationally: it covers more than 32 countries and offers the technology that lets members take dating further than ever.

“As a company, Social Discovery Group is constantly looking for ways to provide people of all communities with options to come together and continue to solve the epidemic of loneliness,” said Dmitry Volkov, CEO of Social Discovery Group. “Providing people with platforms that make them feel comfortable, recognized, and valued is the driving force behind what we do, and we remain committed to identifying even more ways to expand our offerings.”

In a world of ever-evolving technology, Social Discovery Group remains at the forefront, spearheading the charge to create meaningful connections and combat loneliness within the LGBTQIA+ community and beyond.
