

kdm communications Wins Marketing Agency of the Year 2023

ST NEOTS, CAMBRIDGESHIRE, UNITED

KINGDOM, November 2, 2023

/EINPresswire.com/ -- [kdm](#)

[communications](#) is proud to be named

the Marketing Agency of the Year 2023

by the [Business Intelligence Group](#), as part of the [2023 Public Relations and Marketing Excellence](#)

[Awards](#). This accolade recognises the organisation's outstanding reputation as a leading life

sciences marketing agency, delivering quantifiable business results for its clients across the

world.

Established in 1984, kdm communications is dedicated to providing marketing support – including digital media, written content and strategic expertise – to companies in the scientific, technical and medical sectors, and has consistently delivered enhanced brand awareness and lead generation for clients in the US and EMEA. With combined decades of marketing experience, kdm's dedicated team of PhD-educated scientists, marketing experts, designers and videographers offers an exceptional blend of scientific understanding and world-class creativity to provide a truly unique service to its business partners.

Annabel Sedgwick, Managing Director of kdm communications, commented: "We are thrilled to be recognised as the Marketing Agency of the Year by the Business Intelligence Group. This award is a testament to our ongoing commitment to live and breathe our core values of teamwork, respect, integrity, passion and knowledge, which have helped us to grow and skyrocket to success in the fields of life sciences and healthcare marketing in recent years. Our ability and willingness to adapt to an ever-evolving industry – most recently by expanding our digital marketing capabilities (<https://www.kdm-communications.com/service-type/digital-marketing/>) and embracing new technologies – means that we are poised for a future with exciting possibilities."

"The winning agencies and departments have shown how creativity can solve real business challenges," said Maria Jimenez, Chief Nominations Officer, Business Intelligence Group. "In today's global marketplace, communicating effectively to meet the client's needs has never been more important."
