

William C. Jeffries Explores Quantum Physics and Espionage in "Spooky Action in Ukraine"

LAKE FREDERICK, VIRGINIA, UNITED STATES, November 2, 2023 /EINPresswire.com/ -- William C Jeffries, a respected author celebrated for his captivating adventure novels, is pleased to announce the release of his latest literary creation, "Spooky Action in Ukraine: Quantum Entanglement and the Passion of Christ." This exciting narrative is the fifth installment in the renowned "[Christian Madison Chronicles](#)" series, offering an independent adventure story that combines elements of quantum physics, the Christian worldview, Russian-Ukrainian geopolitical tensions, and traditional espionage.

In "Spooky Action in Ukraine: Quantum Entanglement and the Passion of Christ," readers are invited to join Colonel Christian Madison and a group of West Point alumni on a serene Danube River cruise. The journey is designed to culminate with a unique opportunity to witness the once-in-a-decade Passion Play in Oberammergau, Germany, promising a blend of artistry and spiritual enrichment. However, what commences as a tranquil river voyage takes an unforeseen and perilous turn, plunging Colonel Madison into a harrowing life-and-death struggle that intersects with the fate of a Ukrainian family residing near the haunting Chernobyl nuclear site.

The narrative unfolds with a dramatic incident, vividly described, as Colonel Madison closes a door and is suddenly thrust into a physical
