About Global Space University:

Global Space University (GSU) is a partnership between the Space Force Association and Integrity ISR University to provide online space training and certification programs under the National Spacepower Center (NSC) and its Space Education Training Center (SETC). By developing innovative space training, we raise the global standards of excellence for all space professionals. The partnership provides synergy, collaboration, and extraordinary opportunities for space professionals looking to advance their careers. This powerful partnership brings cost-effective, cutting-edge training to space personnel and enthusiasts worldwide.

[About The Space Force Association:](#)

SFA is the only independent, 501(c)(3) non-profit organization that serves as a professional military association whose sole focus is supporting the United States Space Force, United States Space Command, U.S. national space power at large, and our global partners and allies' efforts in space exploration. Its core functions are to research, inform, and advocate for superior space power by shaping a Space Force that provides credible deterrence in competition, dominant capability in combat, and professional services for all partners. In addition, the SFA has the essential function of supporting the men and women of the U.S. Space Force. Membership is open to both military and civilians. For more information on the SFA, please visit ussfa.org.

[About Integrity ISR:](#)

Integrity ISR offers a wide range of services for C4ISR, Space, and Cyber strategy, training, and operations that enable personnel to operate in any domain under any conditions, from permissive to highly contested/denied environments. Integrity ISR's number one priority is to strengthen U.S. national security by increasing U.S. readiness and lethality, building the

capabilities of U.S. allies, and fostering increased interoperability for tomorrow's coalition warfighters. ISR's partnership with SFA will allow them to bring space training to SFA members around the globe! For more information on Integrity ISR, visit www.integrityisr.com.
