

Successful businessman Serhat Akpinar joined IKAR Holdings

LONDON, UK, November 3, 2023

/EINPresswire.com/ -- Mr. Akpinar is a distinguished and successful entrepreneur in the global education industry.

He started his first endeavor at the age of 22, when he established the Girne American University (GAU), where he still continues serving as the Founding Rector and Chancellor.

During the years he established most notably the American University of Cyprus (AUC), the American University of Moldova (AUM), and operates today multiple campuses around the globe.

Beside his activities in the education sector, he has further ownership in a Hotel Group, a newspaper, in the aviation industry and other business fields. He is also a member of the parliament in Northern Cyprus.

"I am impressed by the success story of Mr. Akpinar. What he has achieved during his career is outstanding. His knowledge, experience and entrepreneurial mindset will be a huge asset to achieve our goals especially in the education sector. As we are in the operational process to establish a global education ecosystem, through our IKONIC Education Holding, I am confident that Mr. Akpinar will play an important role within IKAR helping us to transfer our business activities into a major success", said Mario Diel, Group Chairman and CEO, IKAR Holdings, London.

Serhat Akpinar, Founding Rector and Chancellor of Girne American University added: "I am thrilled to join IKAR Holdings in this important position. When I looked into the business-, and strategic approach of IKAR Holdings, and in particular in their education entities, I had immediately realized that this will be a game changer in the industry. The more I am honored to
