GEORGIA, UNITED STATES, November 3, 2023 /EINPresswire.com/ -- In a thought-provoking new release, author and life coach [Dennis V. Bryant](#) explores the fundamental question: What is the essence of being a man? In "[Responsibilities of A MAN](#)," Dennis Bryant embarks on a journey to unearth the core responsibilities bestowed upon all men by God. Over time, these responsibilities have become obscured, misinterpreted, and, in some cases, ignored, leaving a void in men's understanding of their divine roles.

Drawing from his personal spiritual odyssey and a diverse career as a life coach, mental health advocate, motivational speaker, and pastor, Dennis Bryant delivers an inspirational guide for men of all ages. The book serves as a beacon, illuminating the responsibilities men bear in four key aspects of life: their relationship with God, their self, their family (including wives, children, and family members), and their roles within the church and the community.

In "Responsibilities of A MAN," Dennis Bryant meticulously outlines the four pillars of responsibility to God: fear, love, obedience, and worship. He underscores the importance of personal accountability for actions, words, gestures, thoughts, and choices. Men are guided on how to secure their families by immersing themselves in the study, teaching, and imparting of God's Word. Bryant also emphasizes the need for men to exhibit love, care, and leadership within their church, among its members, and throughout their communities.

"Responsibilities of A MAN" transcends the realm of books; it is a spiritually-inspired manual designed to empower men to comprehend and fulfill their divine purpose, establishing profound connections to God, self, family, and community.
